KGM1337 RePET MA-1 Heavy Twill

- Used by Jil Sander -

This MA-1 twill is created by recycled polyester, which is made from PET bottles raw material. It is a sustainable material.

Items: for men, ladies, outerwear, blouson, coat, casual, ...

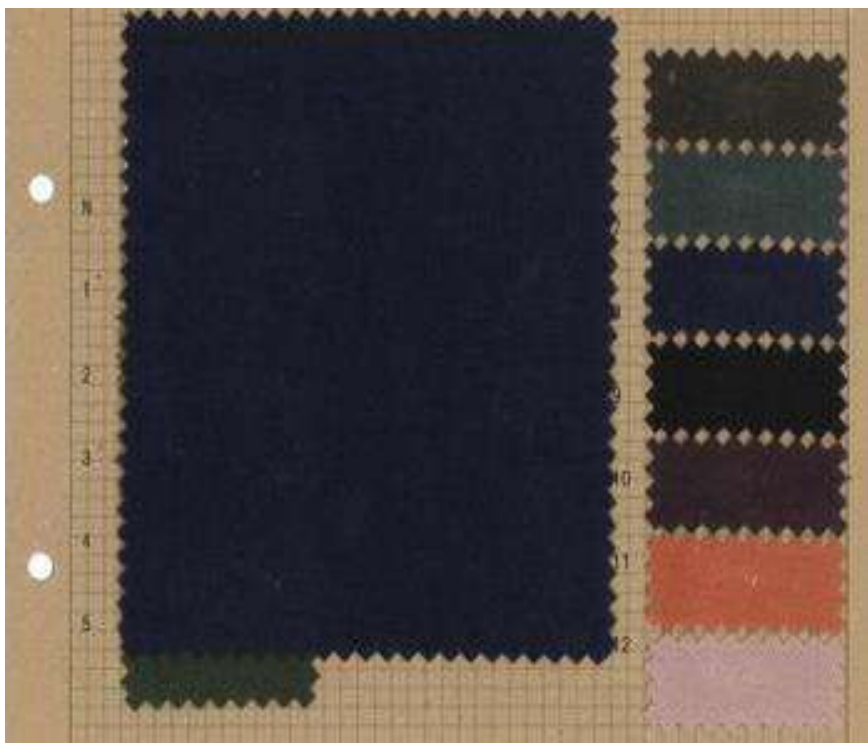

Composition: Recycled Polyester 100%

Size: 144cm x 50m

Weight: 235g/m²

Code: KGM1337

KDS001 NATURAL DYED TWILL

It is a special dyeing that makes the best use of the original texture of the material by the traditional dyeing craftsmen who make the best use of their know-how. It has faded-from-washing wrinkle and uneven look that makes the most of the natural feel of natural fibers.

Items: for men, ladies, pants, outerwear, blouson, coat, casual, skirt, dress

Composition: Cotton 61%, Wool 10%, Linen 29%

Size: 118cm x 24m

Weight: 324g/m²

Code: KG_KDS001

KGM1341 BRUSH MARKS OXFORD

This oxford fabric is woven with two colors for the warp and one color for the weft, for a total of three colors. By putting 40/1 in high density, it is a product that can cover not only shirts but also light outerwear and pants. Finished with a deep color that is unique to using three colors, and a color that changes depending on the angle.

* There is a thread knot due to the characteristics of the fabric.

Items: For men, ladies, pants, casual, jacket, suit, shirt, blouse, skirt, dress,...

Composition: Cotton 100%

Size: 152cm x 50m

Weight: 145g/m²

Code: KGM1341

Composition: Recycled Nylon 100%

Size: 128cm x 42m

Weight: g/m2

Code: KGM1345

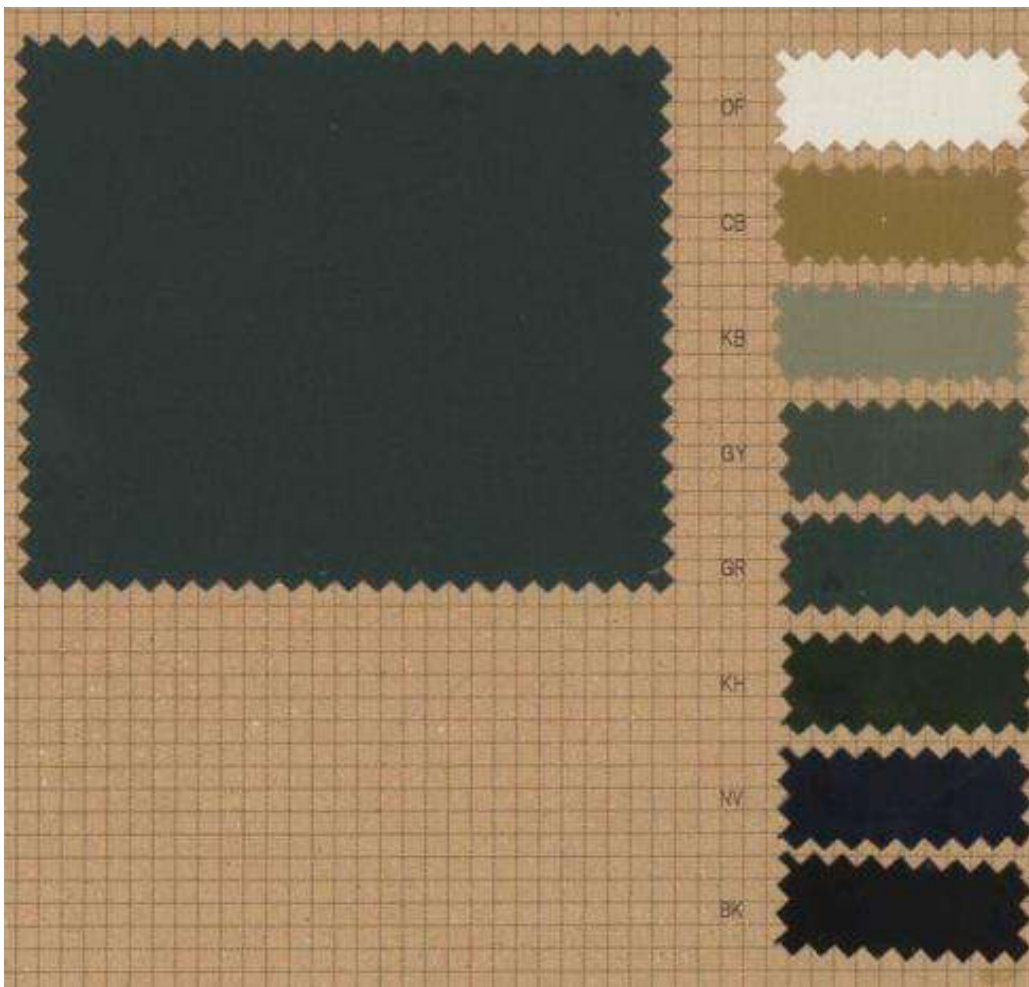

BRUMA RIPSTOP

-Sustainable-

It is an environmentally friendly and sustainable material with fluorine-free water repellent applied to recycled nylon fabric. By applying a special wrinkle processing such as sun drying with a strong and high density ripstop structure, we finish it with a vintage look. It is a prosperous material with a crisp touch. Since it is non-fluorine, the water repellent will be removed by dry cleaning, so hand washing is recommended.

Items: for men, ladies, outerwear, blouson, Coat, outdoors, ...

RIPSTOP 2-WAY STRETCH

Ripstop material with stretchability both vertically and horizontally. It is added water absorption and quick-drying to the 2-way stretch, and has a strong military-colored ripstop. Made from high-functioning polyester yarn, it is easy-care and can be worn all year round.

Items: for men, ladies, pants, outerwear, blouson, coat, outdoors, skirt, dress ...

Composition: Polyester100%

Size: 134cm x 50m

Weight: 109g/m

Code: KGM1336

SOPIMA 100/2 POPLIN

We use Mexican pima cotton SOLPIMA to make this material. It is a poplin with a special micro peach finish that does not impair the luster of ultra-long cotton. Although it is a fine count, it uses twin threads to improve tear strength and is processed to give a feeling of resistance, adding a sense of luxury to conventional poplin.

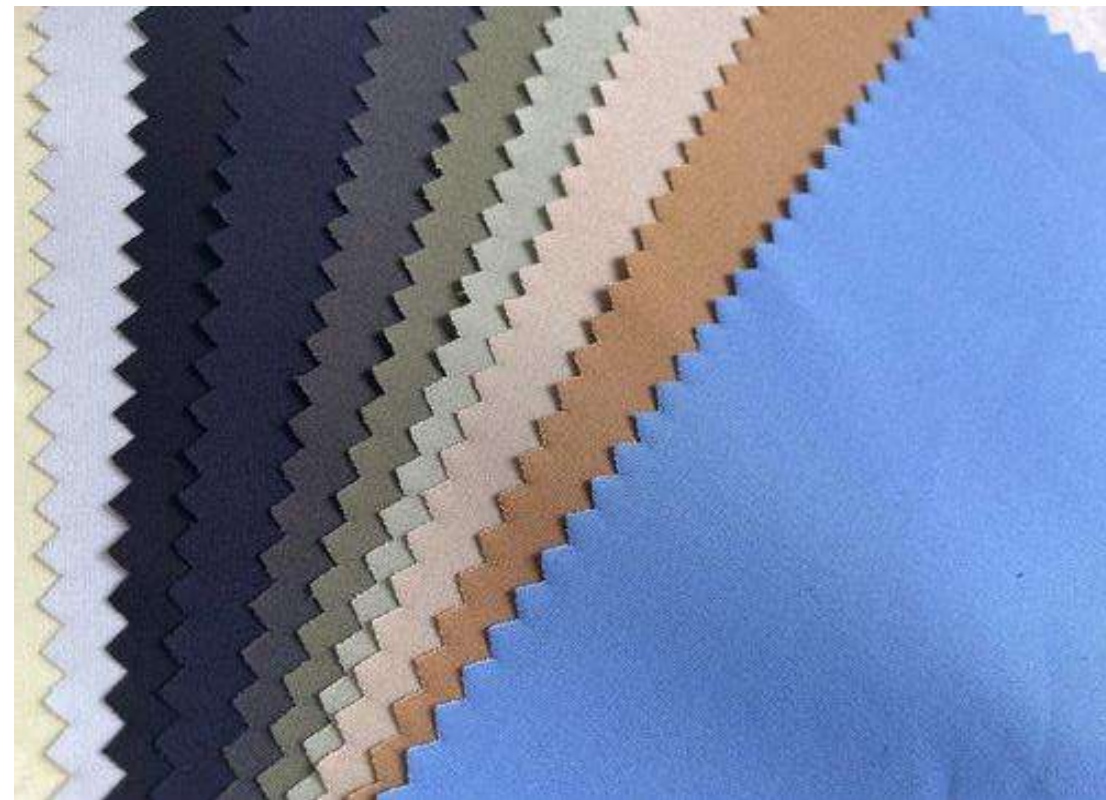

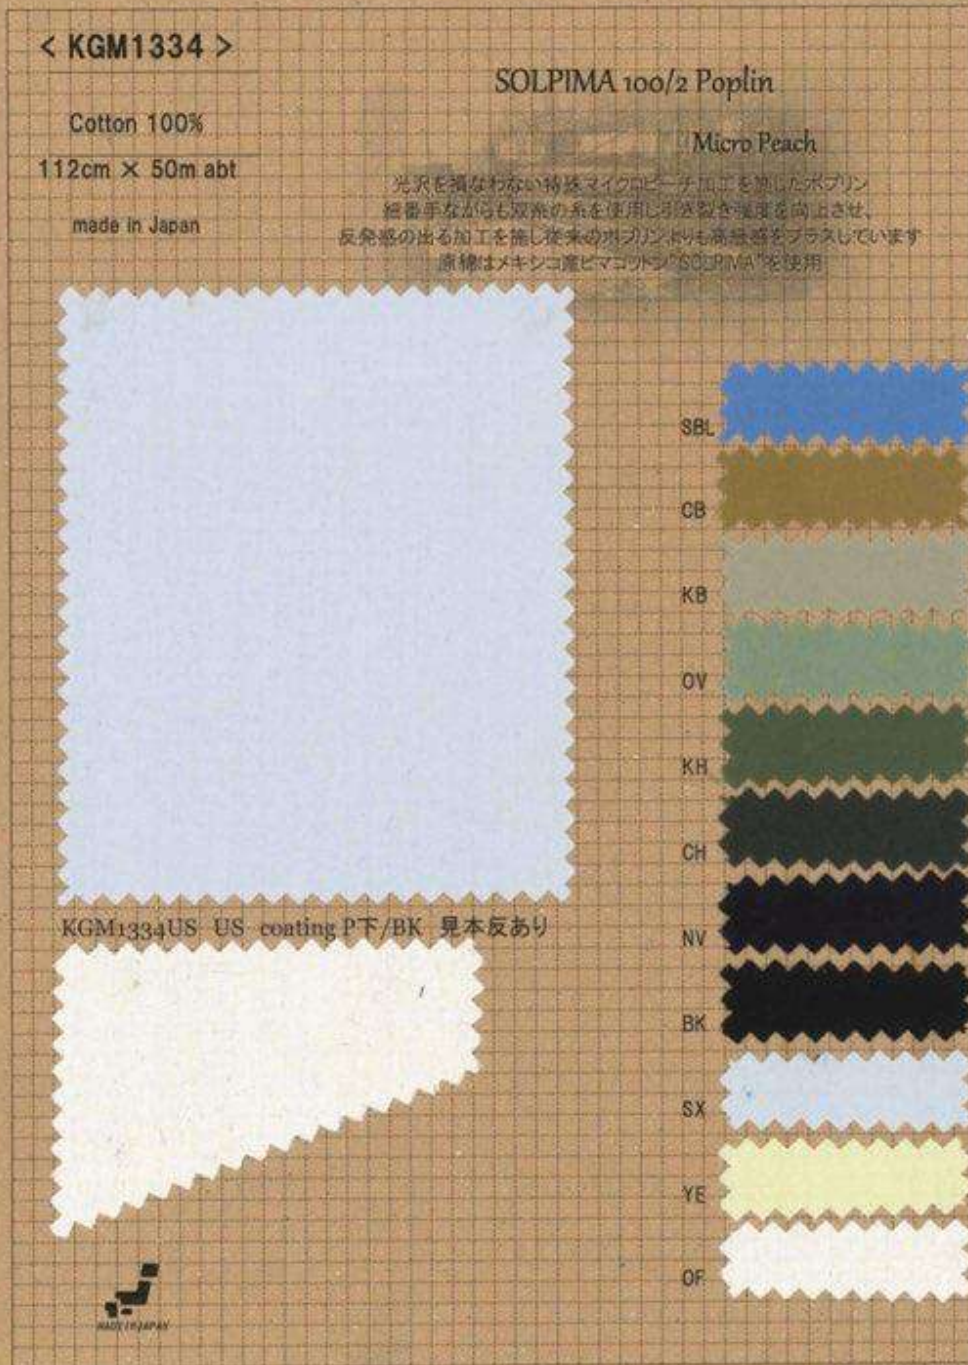

Items: formal items, for men, ladies, casual, shirt, blouse, skirt, dress...

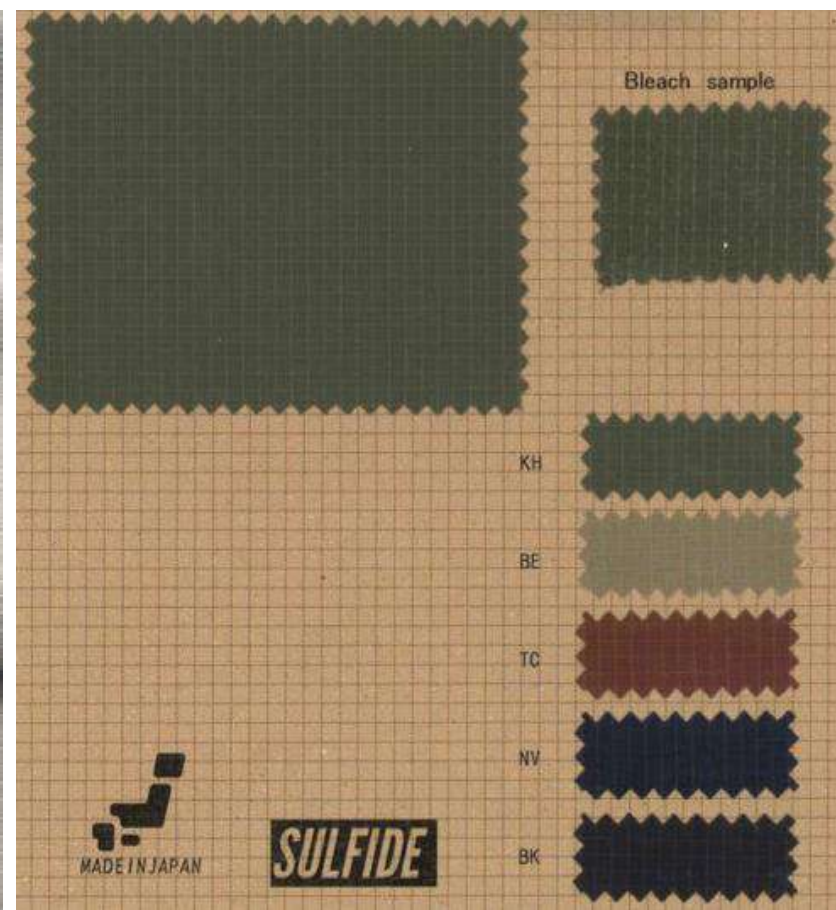

Composition: Cotton 100%

Size: 112cm x 50m

Weight: 140g/m

Code: KGM1334

SULFIDE LIPSTOP

It is ripstop material using sulfur dye. It is a strong tissue used for parachutes. A chambray feeling is given by adding a difference in the density of the yarn-dyed vertical and horizontal. You can also enjoy the secular change due to sulfurization.

Items: for men, ladies, pants, outdoors, skirt, dress, working...

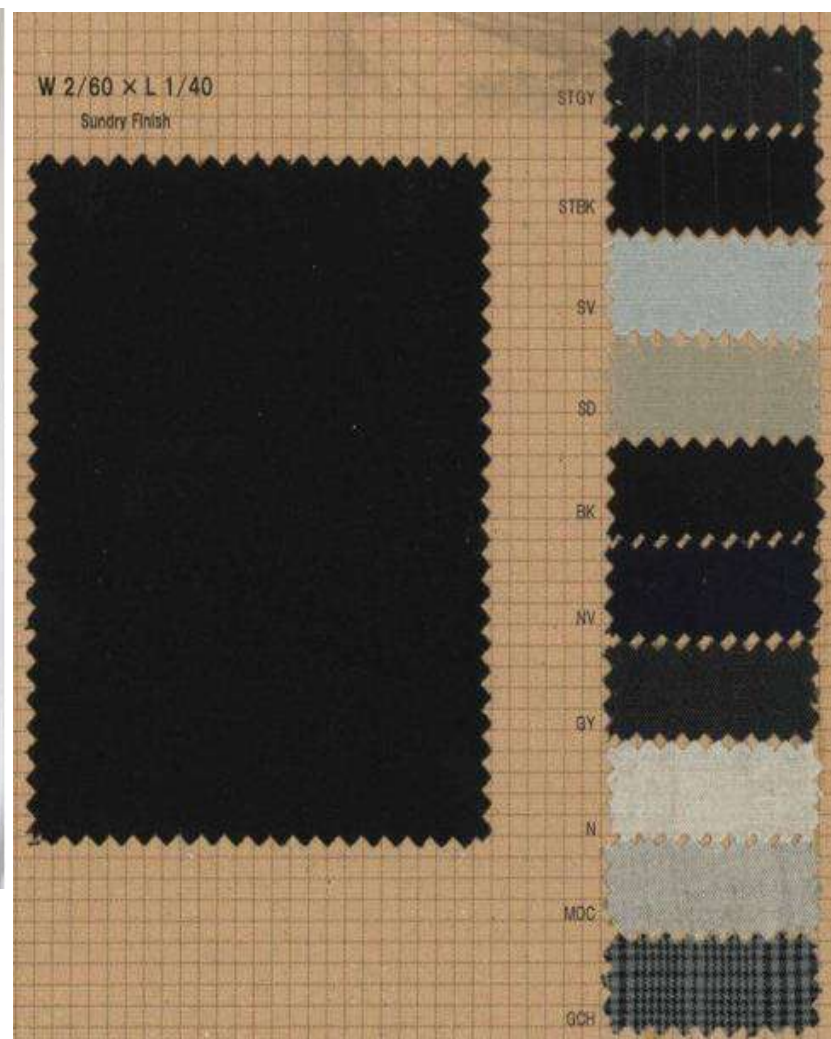

Composition: Cotton 100%

Size: 116cm x 50m

Weight: 190g/m

Code: KGM1331

WOOL/LINEN WEATHER

It is wool linen mixed weave weather. By using worsted wool for the warp, wrinkles on the linen are reduced and a high-quality luster is produced. Finally, a sun-washer finish is applied to add a natural feel.

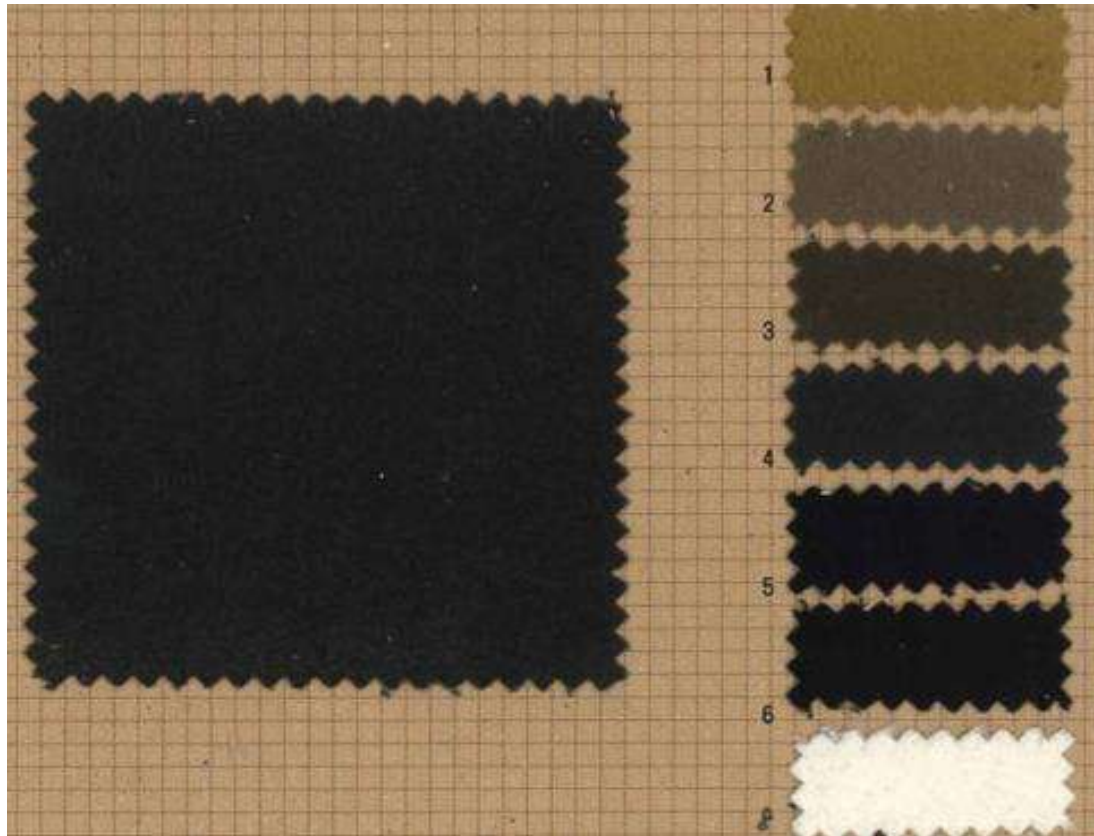

Items: formal clothes, for men, ladies, pants, outerwear, blouson, coat, jacket, suit, skirt, dress...

Composition: Wool 52% Linen 48%

Size: 148cm x 25m

Weight: g/m2

Code: KGM1325

BLANKET COTTON

It is a specially brushed material that you can't think that it is a 100% cotton material! It has a cashmere-like touch that sets it apart from ordinary flannel shirt fabrics. Since the texture is emphasized, flexibility in the vertical direction is weak.

Items: for men, ladies, pants, outerwear, blouson, coat, casual, shirt, blouse ...

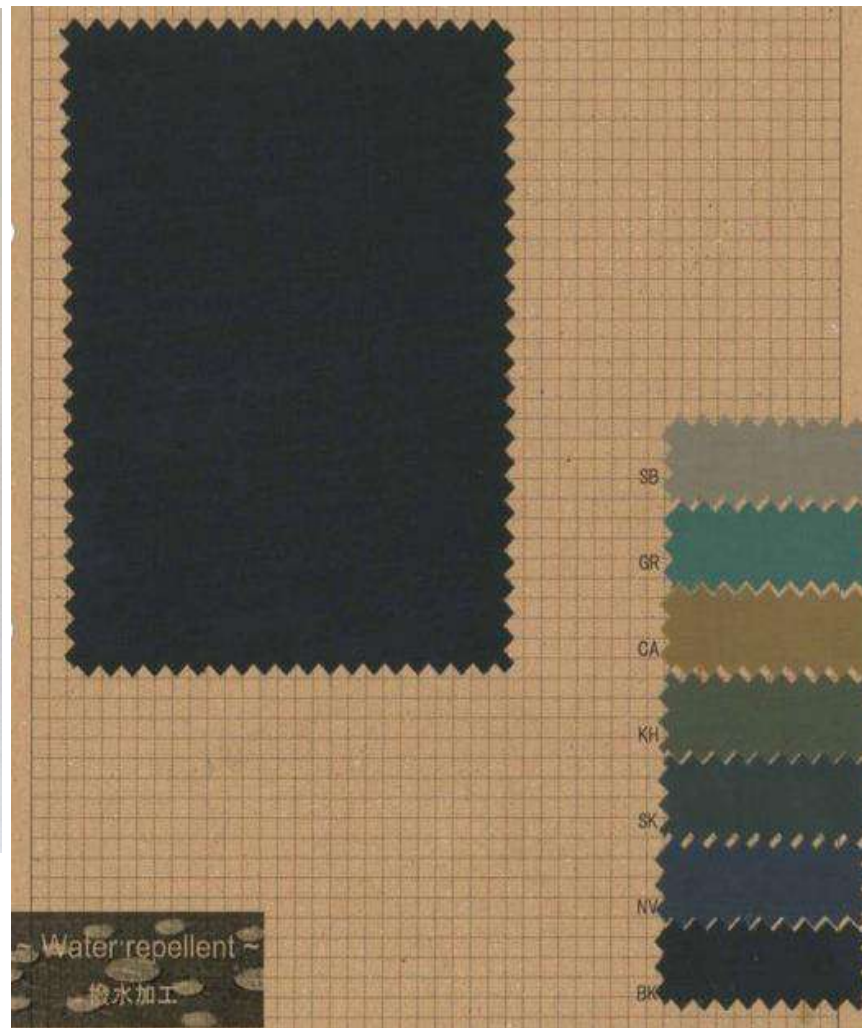

Composition: Cotton 100%

Size: 120cm x 50m

Weight: 288g/m2

Code: KGM1322

N/C MINI RIPSTOP TAFFETA

NYLON30d × COTTON80 / 1 union mini ripstop taffeta. The cotton ratio is high, but it has a texture similar to synthetic taffeta. Surface is water-repellent, on the back have been made acrylic coating. It is a thin material that is ideal for single outerwear, padding and pocketable items.
